MYSTERY BABYLON: THE MOTHER OF ALL FALSEHOODS

I. THE REVELATION THAT NO ONE WANTS TO HEAR

There are subjects that men tremble to address. There are truths so uncomfortable that merely mentioning them causes cold sweats in the corridors of power, in the editorial offices of newspapers, and in the domesticated pulpits of modern Christendom. Yet, paradoxically, these truths are as old as the Book of Revelation itself — revealed by Christ to John on the Island of Patmos when the veil of time was torn to show what was, what is, and what is to come.

We are, of course, speaking of Mystery Babylon, the Great.

For centuries, a certain theological intelligentsia — with the subtlety characteristic of the offspring of Samael — has attempted to convince the Christian world that Mystery Babylon refers to some Christian denomination. Some say it is Rome. Others point to Constantinople. There are those who murmur that it is the Protestants. And all of them, with the surgical precision of those who miss the target by miles, utterly fail to hit the point. Because the true identity of Mystery Babylon is, always has been, and always will be diametrically opposed to Christ and everything that Christendom represents. It is not an internal division of the Church. It is not a matter of schismatics or domestic heretics. It is a substance of religious forces arranged against Christendom, aspiring to world domination and, with truly admirable satanic patience, has virtually dominated all pagan religions on the face of the Earth.

But of course, saying this out loud is "controversial." It is "intolerant." It is, by the standards of the modern world, almost criminal. And yet, if Christ Himself did not shy away from identifying these forces of darkness — and we know perfectly well that He did not — then who are we to remain silent?

II. A NATION OF HEIRS UNDER SIEGE

Let us take the example of the United States of America — or, if we want to be faithful to the perspective of the Heirs of the Promise, one of the great nations of the Kingdom of God on Earth, founded under a Christian vision, built by men whose faith was not merely a Sunday adornment, but the very civilizational foundation.

The ancestors who built that nation — just like those who founded the kingdoms of Portugal, England, France, Spain, and all the thrones of Christian Europe — were not naive. They recognized early on that the forces arrayed against them were not Christian. It was not a matter of theological disputes between Methodists and Baptists, between Catholics and Reformed. It was something infinitely more sinister: an organized, non-Christian, and absolutely unassimilable conspiracy dedicated to the destruction of their society.

And this is not new. There is nothing new under the sun, as Ecclesiastes would say. The resistance against the Heirs of the Promise is as old as the Adamite lineage itself. It is as ancient as the blood of Abel shed by Cain. It is as persistent as the serpent in the Garden. And it is as current as tonight's news.

Some question the right of the Christian Church to discuss these matters. Well, it is not only their right — it is their sacred duty to declare, discuss, and denounce the forces of evil. And if these forces do not like what happens in Christian churches, they can take comfort in the fact that they rarely set foot there — unless they come to spy. We do not invade their synagogues. We do not infiltrate their temples. We do not disturb their centers of idolatry. Courtesy, however, has never been reciprocal.

III. CHRIST IDENTIFIED THE ENEMY — AND WE MUST DO THE SAME

Let us then move to the heart of the matter. Because there is an uncomfortable fact that modern theology — domesticated, castrated, and shamefully submissive to the spirit of the age — stubbornly refuses to acknowledge: Christ, during His earthly ministry, showed not the slightest hesitation in identifying the forces of darkness.

He was not diplomatic. He was not "inclusive." He did not apologize. He did not consult a public relations department before opening His mouth.

In each of the Gospels, we find the same cutting identification, the same devastating precision. And the words are these: "You are of your father, the Devil." Period. No footnotes. No asterisks. No endnotes to soften the impact.

Now, there is But I say: "One should not speak like that about anyone." Well, if Christ spoke this way, perhaps

we should have the decency to repeat what He said, instead of pretending that He was being metaphorical, or that the context was different, or that He actually meant something else. Christ knew who they were. He was aware of the symbols by which they identified themselves. He knew their connection to empires and emblems that they carried from generation to generation. He knew they were identified with the Luciferian House — the one that, in its fall from service to the Most High, rebelled and dragged with it fallen angelic hosts that sowed evil on Earth and plunged the primitive world into catastrophe and conflict.

Thousands and thousands and thousands of years of conflict and history — long before the Adamite race, long before the white seed was planted in this world — darkness was already at work. And when the lineage of the Heirs of the Promise finally appeared, the offspring of Samael had already prepared their positions.

Christ stated it clearly: they were the murderers of the Prophets. They were the murderers of the righteous. They are responsible for the blood of every upright man, from Abel — yes, Abel, the first martyr in history — to Zechariah, who was killed between the horns of the altar. He identified them as Canaanites: a wicked and unassimilable seed that has tried to absorb the race of the Heirs since the beginning. He called them serpents. He called them a generation of vipers. And when He sent Prophets, Sages, and Scribes, some were killed, others crucified, others scourged — where? In their synagogues.

In their synagogues.

This, my friends, significantly helps in making the identification. You don't need to be a detective to connect the dots.

IV. The Conspiracy That Never Slept — From Caiaphas to the Present Day

Let us now build the bridge between the ministry of Christ and the architecture of the Mystery Babylon, for it is here that the narrative gains a truly abyssal depth.

In the twenty-sixth chapter of Matthew, we read that the High Priests, the Scribes, and the Elders of t hat force — note well, "of that force," not "of faith," not "of the people of God," but "of that force" — gathered in Caiaphas's palace and conspired on how they could subtly capture Christ and kill Him. With cunning. With deceit. With the same serpentine craftiness that has always been their trademark.

It was not a theological disagreement. It was not a matter of rabbinic interpretation. It was a cold and calculated murder plot against God incarnate Himself. And this modus operandi — t his combination of subterfuge, infiltration, and calculated violence — has never changed. The facts have changed. The methods have refined. But the essence remains exactly the same.

They had dominated, through their chicanery, the control of the Temple. They had proclaimed themselves as associates of the Faith with which they had nothing in common. They had usurped ecclesiastical positions through false elections and political maneuvers. And Christ identified all of this in His time, tracing their spiritual genealogy back to the deepest roots of evil.

Now, if we turn to the Book of Revelation, we find exactly the same identification, but now on a cosmic scale. John, taken in spirit to the heavenly realms, is confronted with a panoramic vision of history — past, present, and future — and sees the great mystery of opposition to the Kingdom of God. And that opposition, in its highest and most organized manifestation, is the Empire of Mystery Babylon.

V. BABYLON: THE NERVOUS CENTER OF ALL ORGANIZED INIQUITY

To understand the magnitude of what we are dealing with, we need to go back — very far — in time. Because the Mystery Babylon did not originate in Babylon. Babylon was merely the place where it reached its peak. The roots go much deeper.

Let's start with Ancient India. The Vedic teachings — and here is a point that modern academia vehemently refuses to acknowledge — were originally the work of men from the race of the Heirs of the Promise. The Vedic writers and masters were descendants of Seth, who descended from the High Plateau of Tarim, crossed those lands, and sought to push back superstition. They proclaimed the truth of the Eternal God, the righteousness of His Kingdom, the oneness of God, and the fact that His purpose was to establish justice on Earth and overthrow evil.

It was a civilizational mission of epic proportions — His beloved ones, as missionaries of LIGHT, bringing TRUTH to the most remote regions of the ancient world. And what happened? What always happens: the war against the Vedic forces was created by the descendants of Lucifer. The priests of darkness — and here is the truly remarkable detail — looked exactly the same, whether they were sown among the races of Asia, found as Canaanite descendants tormenting your society, or installed among the Temples of Set and Sun in

ancient Egypt, where they established their dark and occult practices.

This is not coincidence. This is spiritual genetics. This is the law of the seed in full operation.

The great Aryan force in India — under Aryan leadership, under Aryan emperors — advanced the land. Under the teachings that reverted to the One God and His TRUTH, there was progress, there was civilization, there was order. But the overwhelming weight of the masses — the thousands and millions who moved under the appeal of the priests of darkness — dragged them back to the temples of Brahma, Vishnu, Shiva, and Kali.

Ah, Kali! The goddess of murder. The wife of Lucifer, in the cosmogony of these dark cults. The incarnate seed of all evil, which still dominates millions of revolutionaries within India and has always been diametrically opposed to the civilization of the White Man and his God. Kali, the Murderess, is marked and identified in her theology and in the Illuminated Mystical Theology of the entire world — like Isis, like Ishtar, like Lilith — and as such, has her direct relationship with both the Babylonian Mysteries and the Mysteries of ancient India.

Notice the web: from Tibet to India, across all of Asia, dominated by the "Voodas" — those who fell into rebellion with Lucifer — whose descendants satanically guide the demonic priests of deep Africa, all interconnected, all from a COMMON ORIGIN. It is a global system of darkness that predates any modern political organization by millennia.

VI. BABYLON PROPER: WHERE EVIL WAS CROWNED

Now transitioning to historical Babylon proper — the Babylon of the Tigris and Euphrates rivers, the Babylon of Nebuchadnezzar and Belshazzar — we find the unassimilable priesthood at the height of its power.

They had established their own priesthood. Their tremendous powers. Their Supreme Bishops. Their High Pontiffs. Their Vestal Virgins — numbering in the thousands. A highly organized system of dominant evil: religion with its superstitions, immorality taken to the extreme, and unprecedented prostitution in the temples throughout human history.

Their power was such that they controlled the Babylonian Empire, eliminating and removing

anyone who stood in their way — even if they were alongside the Emperors themselves. Therefore, the most diabolical force of ancient Babylon was this Satanic Mystic School of Illuminated Masters.

Illuminated ones! What a delightful irony. They were not illuminated with the LIGHT of God. They emanated that darkness of evil about which Christ said: "If your light is darkness..." — and there we have the unprecedented symbol of their identity, because this is THE WALL OF DARKNESS, this is the UNFOLDING DARKNESS, which the Scriptures refer to as that which " seeks to envelop men, whose propaganda becomes poison to the mind and seeks to capture t hem completely."

The Scriptures are filled with discussions of these Schools of Darkness. And although the ancient patterns of false and satanic religion had swept across ancient Asia, dominated Africa, and extended through the Assyrian Empires, it was in Babylon that it reached its greatest height — and hence the name: MYSTERY BABYLON, THE GREAT.

VII. NIMROD: THE FIRST CAPTURED PRESIDENT

Let us now recall Nimrod. Here we must correct a considerable historical injustice, as many people speak of Nimrod as if he were the center of all this malignant philosophy and theology. He was not. He was a captured mind — just like some presidents we have seen in modern times. He was dominated. He was controlled. They reached the point of convincing him that he was God.

(This almost happened with F.D.R., it should be noted. When there was a drought in the country and he was asked to declare a day of prayer for rain, his response was: "I'll take care of that." Modesty, such a rare virtue among the powerful...)

Nimrod, a descendant of Ham, son of Noah, progressed from the steppes of Upper Persia, descended to the plain of Shinar, and conquered Erech and Babel. He had Shemites with him — let us remember that, until the construction of Ur of the Chaldeans, Nimrod, the Hamite, had selected Terah, the Shemite, as his Prime Minister. And Abraham, the son of Terah, left Ur of t he Chaldeans under God's guidance, due to the great pollution that had fallen upon that city.

But before that, when Nimrod conquered the great plain of Shinar and toppled the temples of Erech and Babel in those primitive times, little was suspected of a great capture of this center — and of this man, Nimrod — who would fall into the designs and suggestions of that wicked priesthood.

They promised him abundance, security, solutions to all problems — he just had to surrender to the authority of these "Wise and Illuminated". The same scheme. The same tune. From Nimrod to Nebuchadnezzar, from Belshazzar to modern leaders, the recipe never changes: capture the minds of the powerful and use them as puppets.

VIII. THE FACES THAT NEVER CHANGE — FROM SUMER TO MAIN STREET

And here we arrive at an absolutely fascinating point, because decades of investigation into Babylon reveal something that scholars prefer to ignore: from the shadowy temples of Set and Sun in Egypt to the forces that emerged from the heart of Upper China, from the steppes and ancestral cities near Beijing that existed thousands of years ago — the power is exactly the same. The appearance of their priests is exactly the same.

There are ivory sculptures made in the most remote antiquity representing their priests. There are ancient engravings and scrolls from the earliest times that came out of China. And in these records and maps of great significance, if we look at the faces — in the thousands — of the priests who descended from generation to generation to control all these pagan forces, they resembled the owner of a pawn shop that one might find on any main street in any Western city.

It is not a coincidence. Whether we find them in Sumer or gather them from ancient China — some manuscripts older than the time of Christ, with genealogies and lines of descent beginning in that period and updated generation after generation until 1736 — we can clearly see who has been directing the religions within Asia and China.

Even within Buddhism, where its dominant influence and its "Red Company" demonstrated that the masters at the top were members of the same force — these high officials were known as the Illuminated Masters. And the plot continues, unbreakable, from continent to continent, from century to century.

IX. FROM PERGAMON TO VENICE: THE MIGRATION OF SATAN'S SEAT

Let us now advance in the chronology, as history takes a particularly revealing turn for those who understand the perspective of the Heirs of the Promise — whether they are Anglo-Saxons, Franks, Iberians, or any other branch of the great Adamite family spread across Christian Europe.

When Babylon was finally conquered by the Medes and Persians, the global seat of all paganism on the face of the Earth collapsed. But it did not die. The offspring of Samael never die; they merely relocate. They temporarily moved their headquarters to the Island of Pergamon.

And here we have a first-order scriptural confirmation: when Christ, in the Revelation, sent His messages to the Churches, He specifically said about Pergamon: "I know of the tribulations of those who are Christians and must live on the Island of Pergamon — that is where the throne of Satan is."

Read this again. Christ Himself identified Pergamon as the seat of Satan. Not a metaphor. Not a figure of speech. The literal throne of the world organization of darkness. And from Pergamon came Herod — the Herodian who was the "King of the Jews" and who tried to kill Christ at His birth. The connection is direct, it is genealogical, it is unbreakable.

From Pergamon, they settled within Venice. They moved to various capitals of Europe. They established themselves in several centers where they thought they would go unnoticed — within Russia, for example. But they always operated under the same general pattern of the Masters.

Indeed, Venice became for centuries the operational headquarters of these forces — which explains much about the Republic of Venice, its banking policy, its ambiguous alliances, and it s role in European history that conventional historians prefer to treat as mere "commercial pragmatism." Pragmatism, indeed — the pragmatism of the serpent.

X. THE ILLUMINATI AND THE FIRST OF MAY 1776

And it is in Venice that the next act of the great drama is prepared. Because it was precisely in the 18th century that the organization and coordination of these Illuminated Masters became more visible than ever.

On May 1, 1776 — notice the date: it is not only the year of American independence, but also the same date chosen by the Illuminated Masters for their grand meeting — the Illuminated Masters who came from Asia, Africa, and the countries of the Near Middle East gathered under the call of the Master of the Grand World Lodge of the Illuminated Masters, who was also the supreme master of what was known as the "Kehilla" — the particular Jewish branch of this institution.

The man who issued the call — and who was later credited as the founder of the entire organization — was not actually its creator. He was merely, at that moment, the Master of that Lodge which dated back to the day they invaded Pergamon after the fall of Babylon. This man was named Adam Weishaupt. And it was in 1776 that these Illuminated Masters gathered and formed their unique plan for their grand assault against CHRISTIAN CIVILIZATION.

Allow me to emphasize this: the declared target, from the very beginning, was Christian Civilization. Not Islam. Not Buddhism. Not Hinduism. Christian Civilization. The civilization of the Heirs of the Promise. The kingdoms of the white Christian nations of Europe and America. This was — and continues to be — the target.

XI. FROM GENGHIS KHAN TO THE GATES OF VIENNA: THE FIFTH COLUMN THAT OPENS GATES

But long before Weishaupt, the same organization was already in full operation. Let us go back to the time of Genghis Khan, for here the history is so revealing that it deserves detailed attention.

The last time the Masters had been summoned before 1776 was in Venice. In that summons, all those who directed the control, brought from the four corners of the Earth, were under the leadership of the "Grand Rabbi" of World Jewry at the time. And they selected — if you are students of history, you will remember this — a contemporary of the days of Genghis Khan, a man named "Chepe Noyon," who was a Chinese Jew and a member of their Illuminati, to become an advisor to a man on the steppes.

The plan was this: if they managed to capture him and use him, they would make him a world conqueror. An instrument. To gather the hordes of Asia, direct them through superstition and the priesthood, and launch them in an invasion of Western Europe to crush Christian Civilization and hand it over to the Illuminated Masters.

And they did not stop at intentions. When the hordes of Genghis Khan invaded Europe, something happened that Harold Lamb and numerous other historians meticulously document: city after city fell with an inexplicable speed. It was not just the brilliant military tactics of the Mongols — the flanking movements, the rapid sieges. It was the fact that, when the hordes approached the cities, the gates were opened from within.

And who opened them?

Merchants. Merchants of the Synagogue of Satan, gathered from Asia, India, and the corners of the Earth for this very purpose. They opened the gates while the men slept. It happened in Samarkand. It happened in Baghdad. It happened — my friends — even at the gates of Vienna.

And it was precisely for this reason that Martin Luther, upon discovering what was happening within Germany, stated that these people identified with those hordes by wearing a "Yellow Badge". He added that if Germany and the countries of Europe were wise, they would force these people to wear a "Yellow Badge" from that moment on and forever, so that the people would know who they were on all occasions — because they had completely betrayed Christian Civilization.

(And then, centuries later, when someone in Germany actually implemented something similar, the entire world was instructed to consider it the greatest atrocity in history. The irony, as the English say, is absolutely delightful.)

XII. THE FREEMASONRY THE TRUE VERSUS THE GRAND LODGE OF THE EAST: THE TRAITORS WITH APRON

This significant pattern of darkness was behind the pattern of revolution. And here we c ome to a point that is particularly sensitive, but needs to be addressed with complete frankness: the issue of Freemasonry.

The Illuminati established a clear relationship at that time with the pagan forces that had already waged war in the days of Solomon — who sought to take the Temple of Solomon and even the faith and worship of the Heirs of the Promise through infiltration and subtlety, co ming via Tyre, claiming friendship with David, the father of Solomon.

The design of these ancient Mystery Schools was to infiltrate and seize control of the Heirs of t he Promise, as well as all the nations of that time, and then, through their policies, take charge of their political life in the name of "more wisdom" and a "sophisticated and enlightened society" of supposed Grand Masters of all knowledge — using the power of money manipulation and their strange governmental intrigue to achieve these objectives.

Now, it is absolutely crucial to distinguish here two completely different things. :

There exists — or has existed — a line of historical and spiritual truth symbolized by the great Brotherhood Fraternity established by the Kingdom of God, founded by the Master Builders of " True Masonry." This lineage descends from the days of the Pyramid, traverses the entire history of the race of the Heirs of the Promise, passes through the days of the Temple of Solomon, reaches the Company of Essenes in the days of Christ, and continues in the TRUE BLUE LODGE OF MASONRY within Great Britain.

This Blue Lodge of Freemasonry, this Blue Lodge of Free Masons, is NOT the organization called " The Grand Lodge of the East" — which is a satanic revolution infested by the spawn of Samael against everything that is good and just.

Adam Weishaupt, in 1776, planned the infiltration and unification of all pagan lodges around the world and of all false systems of religion into an invasion of Freemasonry — to transform Freemasonry into a diabolical revolution.

The genuine Blue Lodge has never been truly affected, but a large number of orders that men thought were merely harmless lodges have been captured. And at the Grand Lodge of the East — still in 1922! — the leader, a member of the Synagogue of Satan, a member of the Illuminati, a member of the Illuminated Masters, who called himself THE MASON GRAND MASTER, declared before the assembly:

"MY MASON BROTHERS, our hope is that now, through this Freemasonry that has done so much for the emancipation of man, and to which history owes the National Revolutions, all the great Revolutions, we now hope that the greatest — THE INTERNATIONAL REVOLUTION — WILL BE ACHIEVED BY US."

This should be enough to wake up anyone with two brain cells. This is not the Lodge of the true Master Builders of which George Washington was a part. This is not the Lodge that was established in the days of Job as "Master Builders," to which Paul belonged when he said: "I, as a wise Master Builder, NOTHING CAN BE ADDED OR TAKEN AWAY FROM THE FOUNDATION THAT I LAY IN CHRIST."

The design of the Illuminati, specifically in their war against Christendom, was the attempt and expected suppression of all branches of the Christian Faith and of any secret order that existed and that they could not penetrate and control to formulate their revolution.

XIII. THE GREAT WHORE AND THE VISION OF JOHN

Let us now return to the Book of Revelation, for it is here that all lines converge into a vision of chilling clarity.

In chapter 17, John receives the vision of things that were to come: "Come, I will show you who the great whore is that sits upon many waters" — or racial currents — "with whom all the rulers of the Earth have committed fornication, and with whose wine of fornication the inhabitants of the Earth have been made drunk."

And he was carried away in spirit into the wilderness and saw: "a woman sitting upon a scarlet beast, full of names of blasphemy, having seven heads and ten horns. And the woman was clothed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. And upon her forehead was written a name: MYSTERY, BABYLON, THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

The Mystery Babylon is a School of Mystery of Darkness and oppression. It is a School of Mystery of Evil and immorality. It is a School of Mystery with the design to dominate the Earth for Lucifer and establish the supreme authority of Lucifer and Kali, Lilith or Ashtar, Isis — call it what you will.

And here is a detail that should not be overlooked: the last known incarnation of this evil was Blavatsky. The supreme design to attempt to remove all spiritual truth, to obscure all of Christendom in a pagan type of "Occultism" that would eventually hand the white race over to Asian swamis and Asian masters who, behind the scenes, are controlled by those who wish to dominate the world.

And someone asks: "What is the OCCULT?" Well, the original word for occult simply meant "HIDDEN." There are mysteries and hidden things in our faith — but they are matters of TRUTH, LIGHT, and LIFE. And the only reason they are hidden, Christ clearly stated: "To you it is given to know the

MYSTERIES OF THE KINGDOM OF HEAVEN; to your adversary it is not given" — because He did not want the adversary to profess knowledge of these things and then join you to destroy you, entering the Church or becoming a citizen of your Nation to subvert it.

God wanted the Heirs of the Promise to maintain segregation and never accept the false conversion of one of Satan's children, nor allow him, based on this false conversion, to rise to power in their Nation.

XIV. THE MARRANOS: THE ART OF INFILTRATION ELEVATED TO SCIENCE

And here we enter a chapter of history that is absolutely crucial for understanding the current state of Christendom — and which is particularly relevant to the Iberian perspective of the Heirs of the Promise.

There is a book called "Marranos," published by the American Jewish Publication Society, written by the Jew Cecil Roth. It was not written for Christian consumption — it was written for internal consumption. And in this book, they describe — proudly, mind you — how they made conversions by the thousands, entered the Church, perverted its doctrines, contested its teachings, and then destroyed it from within.

They became nothing more than heretics on the outside, infidels on the inside. But now no o ne could select and identify them as not being Christians — because, having joined the institution, having submitted to baptism, having gone through all the processes and ordinances of the Church, they now worked from within to destroy.

For us, Portuguese, Spaniards, and Iberians in general, this is a story we know all too well. The Marranos — or New Christians, as they were called in the Iberian Peninsula — were one of the greatest internal threats to Iberian Christendom. The Inquisition, with all its excesses that modern historiography loves to amplify, was largely a direct response to this infiltration. The kings of Portugal and Spain understood — perhaps better than any other European monarchy — the mortal danger posed by a religious fifth column established in the heart of Christendom.

And what is the result of this infiltration when it is successful? Socialist and communist preachers and teachers within the churches. Men from the Synagogue of Satan who have entered the Protestant ministry,

they have gone through their seminaries, not to serve Christ, but to exert their influence and speak the DOCTRINES OF DEATH — of socialism and marxism — from the pulpit. Without faith in Christ. Openly admitting it among themselves.

XV. THE UN TEMPLE: SIX FLOORS, SIX POINTS, SIX SYMBOLS — WHAT A COINCIDENCE!

Now transitioning to the contemporary manifestation of this ancient evil — because the offspring of Samael never rest — we find something truly extraordinary being built in Washington, D.C.

A Temple. Called "The Temple of U-Nism" — the Spiritual Temple of the UN. A temple for all religions, supposedly the Temple of Universal Understanding, intended to replace nationalism and individual faith.

And its architecture is revealing: divided into SIX floors. With SIX individual points. With SIX symbols of divine authority. And SIX measures of implementation.

Now let’s see: six times three equals... 666. What a truly astonishing coincidence! The number that the Scriptures tell us is THE NUMBER OF THE BEAST. And behind it, financing it, supporting it — an unparalleled number of members of the Synagogue of Satan. The list is long and documented.

This Great Temple of Universal Understanding will have a large room known as the MEDITATION ROOM — the HALL OF ILLUMINATION. There, the Illuminated Masters will " train the public" in the NEW HUMANISTIC RELIGION FOR THE WORLD AND FOR THE UN.

And in this new religion, Christendom is placed on the same level as Hinduism, Judaism, Buddhism, Confucianism, and Islam — as one of the "six important steps" of the new world cree d. But take note: the "Christian point" in this construction means nothing. It is a point for the philosophy of a master named "Jesus" — not for the Incarnate God who commanded His Kingdom to occupy the Earth. They only want those points of philosophy that hand the Kingdom over to the enemy.

And what is Christ's interpretation according to the Illuminated Masters? "DO NOT RESIST ANYONE. TURN THE OTHER CHEEK." All Christian philosophy reduced to a pacifist disarmament program.

Now, it must be said clearly: Christ NEVER taught the Heirs of the Promise to turn the other cheek to the Soviet Union. He NEVER taught them to love all the pagans who hate their God. He NEVER told them that they should not resist. The Sermon on the Mount is the rule of the Kingdom for Christians — brothers and sisters of the same race and the same household, within their own nation. The Laws of the Kingdom cannot be applied to the Antichrist, or he will slit your throat while you turn the other cheek.

XVI. THE SIX POINTS OF THE ILLUMINATED MASTERS — OR: THE PROGRAM OF KARL MARX BEFORE KARL MARX

Here are the six points of the program of the Illuminated Masters, as declared for the Temple a nd for their strategy. Each of them should open the eyes of anyone with a minimum of discernment:

1. The hatred of the TRUE GOD, especially towards His Son, CHRIST. They refer to it as the hatred of t he "Complex of the One God," particularly as manifested by Christians and the acceptance of the one Messiah, Christ. How can there be a branch of Christendom when one hates Christ? It’s like claiming to be a vegetarian while devouring a steak — the contradiction would be comical if it weren't deadly.

2. The destruction of all PRIVATE PROPERTY and of all RIGHT OF INHERITANCE. Sounds familiar? Sounds like Karl Marx? Of course it does! The same people generated the same program, planned the same thing. Marx didn’t invent anything — he merely gave a pseudo-philosophical guise to a progra m that the Illuminated Masters had already outlined centuries earlier.

3. Absolute social and racial equality for EVERYONE — except for the MASTERS OF ILLUMINATION who will guide the masses. Everyone is equal, except for the offspring of Samael at the top. The equality is for others. They are the "more equal". It would be interesting to see if they are also bulletproof.

4. The destruction of all forms of Government and the creation of a DICTATORSHIP OF THE ILLUMINATI FOR THE WORLD. A global dictatorship under the control of a self-selected elite. Curiously, the same ones who preach "democracy" and "human rights" to the whole world.

5. The end of all Nationalisms and all Individual National Patriotisms. The acceptance of the sovereign emblem of the WORLD GOVERNMENT. Our ancestors signed Declarations of

Independence. They founded sovereign kingdoms. They built Christian nations. And these people want to destroy all of that in the name of a world government that they — and only they — would control.

6. The abolition of marriage and family life. The practice of FREE LOVE, with all children to be raised and trained by the State. A great religion, isn't it? The destruction of the family — the basic unit of all Christian civilization — as a religious program. The temples of ancient Babylon, with their ritual prostitution and unparalleled immorality, simply updated for the 20th century.

Six points. Six pillars of destruction. And the number six repeated three times. 666. The number of the Beast. Hidden in plain sight.

XVII. THE NEW WORLD RELIGION: THE FINAL ORGY

The New World Religion, therefore, has no morality. It is a massive orgy of evil. It begins with the surrender of your faith: buy a little Hinduism, a bit of Buddhism, place a small Buddha in your home, a symbol of Brahma, Vishnu, Shiva, and Kali, and to show that you are well-balanced, perhaps a voodoo doll of some African sorcerer. And yes, you can have a small statue of Christ there in the corner — as long as you remember that He is "just one among many."

This is exactly it. The dissolution of all truth into a relativistic soup where everything is equal, where nothing is absolute, where the TRUE GOD is placed on the same altar as the demons of India and the spirits of African darkness. And who orchestrates all this? Who is behind it? Who finances it? Who directs it?

The same forces. The same faces. The same Synagogue of Satan that Christ identified two thousand years ago.

XVIII. THE MARK OF THE BEAST — IT IS NOT WHAT THEY TOLD YOU

And since we are talking about the Beast, let’s address the famous "Mark of the Beast," because few topics have been so garbled and distorted by popular theology.

The Mark of the Beast is not a subcutaneous chip. It is not a barcode. It is not a number tattooed on

the wrist. The Mark of the Beast is this: giving assent in your mind and putting your hand to the service of the forces of the Antichrist. It is to mentally consent to the program and actively collaborate in its implementation. It is to accept the New World Religion, surrender to the WORLD GOVERNMENT, abandon Christ, and embrace the system.

They can do this all over the world. But they won't be able to do it in America. They won't be able to do it in the nations of the Heirs of the Promise. Because there is a difference between FREEDOM OF RELIGION and an INSTITUTION OF THE DEVIL CALLED RELIGION. There is a difference between FREEDOM OF SPEECH and FREEDOM OF WORSHIP on one hand, and dictatorially controlled directives by a WORLD GOVERNMENT POWER THAT SELF-IDENTIFIES AS RELIGION AND ATTACKS EVERY FUNDAMENTAL PRINCIPLE OF THE CHRISTIAN FAITH on the other.

XIX. THE BLACK POPE AND THE INFILTRATION OF THE UNIVERSAL CHURCH

But the web extends even further. Because even in Rome — yes, in Rome — a force moves fro m Switzerland. This man is part of the Illuminati. He is a dark and evil force. He is known as t he BLACK POPE.

This is not an attack on any particular church — because all Christian denominations face similar threats. The BLACK POPE is a sinister force that seeks to subordinate the entire Apostolic See to the will of the organized control of the global Illuminati. He is credited with t he power to assassinate any ruler or papal leader at any moment who does not follow the advice given to him. This is a known factor among all groups of Catholic clergy, and there exists a feared opposition from Catholicism against the BLACK POPE.

And what about Protestantism? We do not have BLACK POPES, but we have our own equally dangerous forces. Bishops in the Methodist Church, bishops in the Episcopal Church, teachers in theological seminaries — all infiltrated, all compromised, all working for the same agenda from within.

When the Masters of Mystical Religion manage to move their influence into the Union Theological Seminary and dictate books and prepare complete standards of instruction within an institution that claims to be Protestant and free, it is time for the Christian Church to awaken. It is time to determine that within the frameworks of Christian Theological Seminaries, only Christian scholars teach the students.

There is no need to seek someone from the Synagogue of Satan to interpret Hebrew or Greek. There is no need to go to the enemy to find someone who interprets the doctrines of the Scriptures — as they will distort them as much as possible to obscure the truth of your identity and sell their own lie.

XX. THE SEVEN EMPIRES AND THE EIGHTH THAT RISES

Building now on the apocalyptic vision we have been outlining, it is essential to understand the historical dimension of the seven empires — or seven mountains — over which this evil power has exerted its influence.

From the days of Egypt and Assyria, through Babylon, Medo-Persia, Greece, and Rome — six empires in which the satanic influence of Mystery Babylon operated actively. And from the catastrophe of this satanic influence, an eighth will arise — and the Scriptures speak to us of it.

The attempt to conquer us with the Asian hordes of Genghis Khan was one such manifestation. And from that death and the breaking of its power until now, we are witnessing the resurgence of the hordes from Asia — from the steppes of Russia, the hordes of China, the mountains of Mongolia — and, of course, the gathering of all non-white and non-Christian minority groups that can be rolled i nto this framework.

The Book of Revelation tells us that in these last days, there will be up to ten kingdoms that will give their power to their political strength. They will have ONE MIND. They will give their power and strength to this political program of WORLD GOVERNMENT. They will seek to wage war against Christ. They will try to overcome those who are identified with Him.

But — and here is the divine guarantee — HE IS LORD OF LORDS AND KING OF KINGS, and all who are with Him are called THE CHOSEN and THE FAITHFUL.

IT IS TIME TO DISCOVER THAT CHRISTIANS ARE THE CHOSEN PEOPLE.

XXI. "WITH VIOLENCE IT WILL BE THROWN" — THE PROMISE OF THE FALL

The Scripture makes a promise that should resonate in the ears of all the Heirs of the Promise, whether they are of Anglo-Saxon, Frankish, Iberian, Germanic, or Nordic lineage:

"THUS WITH VIOLENCE BABYLON, THE GREAT CITY, WILL BE THROWN DOWN."

And someone will say: "Ah, but this refers to the day when it fell before the Medes and the Persians." NO. This was said to John in the Book of Revelation, long after his discipleship, when he was on the Island of Patmos and this was revealed to him in the vision of Revelation. Babylon had already fallen years and years before that. It had nothing to do with the ancient city of Babylon. It was speaking of the continuity of its evil power — the system, not the location.

And when chapter 18 identifies those who finance this system — "the great men of the Earth, who deceived all the nations with their sorceries, and in her was found the blood of the Prophets and of the Saints and of all who were killed upon the Earth" — we are hearing exactly the same words that Christ spoke in Matthew when he turned to the generation of vipers and said: "UPON YOU COMES THE BLOOD OF ALL THE RIGHTEOUS WHO WERE KILLED UPON THE EARTH."

The identification is complete. It is circular. It is hermetic. From Matthew to the Revelation, from Christ to John, the enemy is the same, the force is the same, and the promised destiny is the same: the violent and definitive fall.

XXII. THE FRUSTRATION OF DARKNESS — WHY THEY CANNOT EXTINGUISH THE LIGHT

And here is the final fact, the note with which this exposition must culminate, because it is at once the most encouraging and the most deliciously ironic of all:

The offspring of Samael are frustrated.

With all their power. With all their wealth. With all their means of communication. With all their bought politicians. With all their subverted teachers. With all their infiltrated pastors. With all their propaganda machine — they are frustrated.

Because they do not know how to stop the awakening of the Heirs of the Promise. They do not know how to stop the preaching of the Gospel. They do not know how to suppress it. They do not know how to turn it off.

They used to pull the plug on a radio station. They used to blackmail its operators. They used to threaten businesses with the loss of supplies, raw materials, and purchasing power diverted through unions and other groups. But they do not know how to stop the dissemination of the message that reaches people across the nation — because they do not know how to turn it off. They cannot pull a master switch, because there are too many switches that relay the truth.

Satan continues in the same business he was in during the days of Christ. He wants to hand over the Heirs of the Promise, through his synagogues, into the hands of the magistrates. But the prophecy tells us that THEY will be delivered into the hands of the magistrates. And their synagogues can go wherever they want in the world.

MYSTERY BABYLON is in America. MYSTERY BABYLON is in Europe. MYSTERY BABYLON is in Asia. It is in Africa. It is everywhere.

But it does not belong to your Civilization.

And the truth — that cutting, uncomfortable, politically incorrect, absolutely glorious truth — is that ONLY THE DECLARATION OF TRUTH WILL SET YOU FREE.

The Heirs of the Promise — Anglo-Saxons, Franks, Iberians, Germans, Northerners, Celts — the Christian nations of the world, their kingdoms and republics, their monarchies and confederations: these are the nations of the Kingdom. These are the Chosen. These are the Faithful.

And neither all the gates of Hell — nor all the temples of Kali, nor all the shops of the East, nor all the Illuminated Masters of all centuries, nor all the Synagogue of Satan in all its fury — will prevail against them.

For He who is with them is **LORD OF LORDS AND KING OF KINGS**.

And this, my friends, is the end of the conversation.

The Mystery of Babylon may be everywhere. But the TRUTH is also present. And the TRUTH — that uncomfortable, unquenchable, unshakeable force — is that the LIGHT shines in the darkness, and **the darkness HAS NOT OVERCOME IT**.
